Secondary School (Class X) | R.S. Memorial H.S. School | 2017 | 5.4 CGPA

EXPERIENCE

Independent Content Creator - Paid Brand Collaborations | Ongoing
- Plan, shoot and edit paid content for hotels, restaurants, resorts, cafes, clothing brands and skincare products, adapting the concept and visual style to each brand category.
- Manage the end-to-end content workflow from concept discussion and shoot planning to photography, videography, editing and final delivery.

Hewlett Packard Enterprise - Presales Virtual Experience | Forage | September 2025
- Researched solution options and created a persuasive sales presentation supported by a structured pros-and-cons comparison and customer discovery questions.
- Created a video presentation on HPE GreenLake and used customer feedback to begin a solution architecture for ABC Financial Services.

Tata - GenAI-Powered Data Analytics Virtual Internship | Forage | August 2025
- Analyzed 500+ customer accounts to understand payment behaviour and delinquency trends, identifying three key risk factors linked to late payments.
- Prepared a two-page recommendations report focused on improving collections and reducing payment delays.

PROJECTS

Customer Payment Risk Analysis | Tata GenAI-Powered Data Analytics
- Analyzed payment patterns across 500+ customer accounts, identified key delinquency risk factors and translated findings into practical collection recommendations.

Presales Solution Analysis & Recommendation | HPE Presales Virtual Experience
- Compared solution options, developed customer discovery questions and structured a sales presentation around HPE GreenLake and potential HPE solutions.

LEADERSHIP & CAMPUS INVOLVEMENT

Media Committee Member | IMDR, Pune
- Create photo and video coverage for campus activities, including conferences, guest lectures and college programmes, while coordinating shoot requirements and timely content delivery.

Event Management Team Member | Gyan Ganga College of Excellence, Jabalpur
- Supported planning and on-ground execution of college events by coordinating activity flow, participant requirements and team tasks.
